Gift Aid notes: 1. To qualify for Gift Aid, what you pay in income tax or capital gains tax must at least equal the amount the National Museum of Science & Industry will claim in the tax year. 2. If in the future your circumstances change and you no longer pay tax on your income and capital gains equal to the tax that the National Museum of Science & Industry reclaims, you can cancel your declaration. 3. You can cancel this Declaration at any time by notifying the National Museum of Science & Industry. 4. Please notify the National Museum of Science & Industry should you change your name or address.

Please place your completed forms in the collection box on the Information Desk.

All night

Live music with DJ Bell, Energy Hall

Get in the mood for an evening of fun with a cool drink and some hot tunes, whilst deciding on your plan of attack.

PROVE IT! All the evidence you need to believe in climate change, Wellcome Wing

This December, 192 countries will meet in Copenhagen to agree a global plan for tackling climate change. Get up to speed on the issues that matter – for all our futures.

Free oysters, Revolution Café

The Barry White of seafood is here. Come and sample the delights of the ocean's most famous aphrodisiac. One oyster per person. *One oyster per person.*

Actor alert!

Look out for special appearances from famous London streetwalker, Adele Amour and a glimpse into sex in the future with the world's first Pregnant Man.

Useful information

Food and drink

Enjoy a bite to eat in the Revolution Café on the ground floor and grab a drink at one of the four bars. All bars are cash only. An ATM is located between the Store and the Revolution Café on the ground floor.

Shopping

The Science Museum store and Waterstone's bookstore are both open and are located on the ground floor.

Toilets/Cloakroom

Toilets are located on the ground floor, second floor and in the *Launchpad* gallery on the third floor. A cloakroom is available on the lower ground floor.

An evening of sex and science...

28.10.09 18.45–22.00

Welcome to Science Museum Lates

This month Lates is talking about sex! Get hot under the collar with a spot of speed dating, discover the secrets of sexual selection on the dance floor and put your own naughty knowledge to the test in our Lurve Pub Quiz.

Remember to complete a survey form before you leave so we know what you enjoy at Lates (available from the main exit). If you have any questions about Lates, e-mail lates@sciencemuseum.org.uk.

This month's highlights

Third floor

Launchpad – including science shows

Shows: 19.15, 19.45, 20.30, 21.15

Nursing fond memories of when you were a child at the Science Museum? Then create them anew! *Launchpad* is open for you to experiment, but this time without the kids between you and the big red buttons. Tunes from DJ BJ.

Launchpad is supported by:

Principal Sponsor: Shell

Major Sponsor

Major Funder

With additional support from

The Garfield Weston Foundation

The Zochonis Charitable Trust

The Pedal Sessions, Launchpad City

19.30–20.00, 20.20–20.50, 21.10–21.40

Fancy listening to some home-grown music? TBC will be playing, but you'll only hear them if you provide the power. The Magnificent Revolution team will need your help powering up their mobile recording studio using just pedals, sweat and sexual energy.

Silent Disco, Flight gallery

19.15–21.40

It's moody, pretty dark and probably the best fun you can have with your shoes on as an adult. Grab a headset, select your LURVE tunes and move that booty.

Second floor

Dance, Hormones and Sexual Selection, Maths gallery

19.30–20.00, 20.15–20.45, 21.00–21.30

What does the way you dance say about you? Join Dr Peter Lovatt for an interactive session to scientifically determine who you will find hot, or not, on the dance floor. For more information on Dr Lovatt's research, see DanceDrDance.com.

Wallace & Gromit present A World of Cracking Ideas FREE

Design your own smoothie, see original sets from the films and feed your inventive ideas into the Thinking Cap Machine in your last chance to see this cracking interactive exhibition.

This experience is supported by:

INTELLECTUAL PROPERTY OFFICE

First floor

Salsa Dancing, temporary exhibition space

19.15–19.45, 20.00–20.30, 20.45–21.15

Strictly sexy dancing from the tropics! Learn how to improve that smouldering salsa attitude with Salsa Moves. Will you be Joe Calzaghe or Alesha Dixon.....shimmy along to find out?

Who am I? gallery tour

19.00–21.30

They say the sexiest organ in the body is the one inside your skull. Join our downright sexy scientists Nora and Raphael to discover more about what makes you unique and how you can truly understand yourself and your identity.

Meet on the Ground Floor of the Wellcome Wing to join the tour.

Speed Dating, secret location

Fast, furious and in the company of iconic objects... why not take a chance on a spot of speed dating with a difference. Give it a go and see if you can create your own sexual chemistry.

There is a £2 charge for this event. Please book a place at the main ticket desk in the Energy Hall. Further details will be given when booking. Limited places available.

Ground floor

Punk Science: Sexy Bits, The Theatre

19.45–20.15, 20.45–21.15

Our very own comedy team Punk Science do sex...live! Not actual sex with bits touching other bits, that would be inappropriate, instead prepare yourself for accurate reconstructions of weird sexual activities from the animal kingdom, including Punk Science's unique interpretation of the Argentine Lake Duck's lasso penis (censorship pending).

Places limited to 100.

Centenary Talks: So You Think You're a Sexpert? IMAX 3D Cinema

19.15–20.00, 20.15–21.00

Join Dr Petra Boynton to explore the myths and realities of sex. Test out your own carnal knowledge and discover how researchers study what goes on under the covers.

Places limited to 140.

The Lurve Pub Quiz, Deep Blue Café

20.00–21.00

Come to our Lurve Pub Quiz, hosted by the unfeasibly attractive Dan and Nate. It's now an institution, and they are going back into one after tonight. As ever, filthy and wholly inappropriate prizes for the winners, the losers walk away with nothing.

Brass rubbings of Centenary Icons, Making the Modern World gallery

All night

The Science Museum is 100 years old! To celebrate we've highlighted ten objects that are milestones for our modern world. Make a brass rubbing of these icons on the ground floor to take home and keep forever. We know how to party!

Crayons provided.
