# sciencemuseumlearning

- I would like to receive the Science Museum's monthly e-newsletter telling me about new events and resources
- I would like to receive the Science Museum's termly brochure telling me about what's on in the Museum for educational groups
- I give permission for photos taken **of me during** the day to be used for publications produced within the Science Museum
- I have read and agreed to the attached terms and conditions

## Invoicing details

To ensure efficient invoicing, please complete the below:

<b>Name</b> to whom invoice should be sent (please print) and their <b>role</b> in school.	Reference name or number that they will need (invoice will be accompanied by letter)	Any further information you wish to provide

- The Science Museum runs the teachers' course element of the scheme in partnership with Science Learning Centre London. **Please tick the box to confirm that we can share your details with the Science Learning Centre London.** It could entitle you to apply for the Impact Award to gain £200 back per teacher attending the course. In addition you will have access to the SLCL online resource portal and information on further courses.

**We appreciate you booking the scheme with us, and look forward to seeing you very soon.**
