

# Burning Money

Feeling flash? Burn your cash. Or your homework, or detention slips. Whatever...

[www.sciencemuseum.org.uk/launchpadeducators](http://www.sciencemuseum.org.uk/launchpadeducators)

## Grab this stuff...

1  
Mix 3 teaspoons of water and 1 teaspoon of salt together in the saucer and stir until it dissolves.

2  
Mix in 4 teaspoons of alcohol.

3  
Soak your note in the mixture then pick it up with the tongs.

4  
Hold it well away from yourself or anyone else, then set it on fire.

# Whoosh!
