**Age 13+**

**Ticketed**

**Shake Bar**
Indulge in a delicious made-to-order ice cream milkshake or design your own ice cream tubs at the Shake Bar.

**Interative Gallery Engineer Your Future**
Find out if you’ve got the problem-solving, big-thinking, team-working skills to be an engineer in this hands-on gallery.
GALLERY
THE CLOCKMAKERS’ MUSEUM
Explore this unique collection, charting the evolution of watch- and clockmaking from 1600 to the present day.

GALLERY
SCIENCE CITY
1550–1800
THE LINBURY GALLERY
Discover how London grew from a bustling capital city to a global hub for trade, commerce and scientific enquiry between 1550 and 1800.

EXHIBITION
THE ART OF INNOVATION: FROM ENLIGHTENMENT TO DARK MATTER
SPECIAL EXHIBITION GALLERY 2
This ambitious exhibition explores the relationship between science and art over the past 250 years, and how it has helped us to interpret, study and explore the world around us.
Closes 25 January 2020
Free entry, ticketed

EXHIBITION
SCIENCE PHOTOGRAPHER OF THE YEAR
THE STUDIO
Science in action is captured with the Royal Photographic Society.
Closes 5 Jan 2020
Free entry, ticketed

GALLERY
MATHEMATICS
THE WINTON GALLERY
Explore how mathematics connects to every aspect of our lives: from war and peace to life, death, trade and beauty, in an award-winning gallery designed by Zaha Hadid Architects.

GALLERY
INFORMATION AGE
Discover how over 200 years of innovation in information and communication technology has transformed our lives, from the first transatlantic communication to the dawn of digital TV.

INTERACTIVE GALLERY
ATMOSPHERE
Dig deeper into the story of the Earth’s changing climate in this immersive, interactive gallery.

GALLERY CAFÉ
The Gallery Café’s new menu is all vegetarian and vegan, and includes vibrant salads, tasty wraps and healthy treats. Visitors can also enjoy a selection of hot and cold beverages.
GALLERY
MEDICINE
THE WELLCOME GALLERIES

Medicine: The Wellcome Galleries has completely transformed the first floor of the Science Museum, creating a magnificent new home for the most significant medical collections in the world. Spanning 500 years of history, these five galleries reveal moving personal stories and provide a rich historical context for our experience of medicine and health today. Explore the 3,000 medical artefacts from the extraordinary collections of Henry Wellcome and the Science Museum Group, now on permanent public display in the world’s largest medical galleries.

EXPERIENCE
LIVE SCIENCE
WHO AM I? GALLERY

Take part in a real experiment and contribute to live scientific research taking place in the museum. DATES VARY RECOMMENDED AGE 14+

INTERACTIVE GALLERY
WHO AM I?

Discover what makes you unique through intriguing objects, thought-provoking artworks and hands-on exhibits. Explore how your genetics and upbringing might combine to create your identity.
EXHIBIT  
MISSION TO MERCURY: BEPICOLOMBO  
Come face to face with a full-size engineering model of BepiColombo, the European Space Agency’s first ever spacecraft set to explore Mercury.

GALLERY  
ENERGY HALL  
Discover how steam propelled British industry and technology. Don’t miss seeing the workshop of engineer James Watt, preserved as it was when he died in 1819.

GALLERY  
EXPLORING SPACE  
A real Moon rock, satellites and rockets tell the enthralling story of space exploration.

GALLERY  
MAKING THE MODERN WORLD  
See some of the most iconic objects that have transformed our lives over the past 250 years: from Apollo 10 to the first Apple computer.

INTERACTIVE GALLERY  
PATTERN POD  
A captivating interactive multisensory area for children to identify the many types of patterns in the world around us and create their own.  
AGE 3–8

GALLERY  
TOMORROW’S WORLD  
DRIVERLESS: WHO IS IN CONTROL?  
A unique glimpse into the AI-driven tech that could shape the habits, behaviour and society of tomorrow.

SIMULATOR

THE SECRET LIFE OF THE HOME
From horse-drawn vacuum cleaners to pop-up toasters, trace the evolution of everyday household objects.

INTERACTIVE GALLERY
THE GARDEN
Let your little ones play their way through water, light, sound and construction as they learn to observe, explore and draw conclusions through play. This interactive gallery is designed for our youngest visitors.

AGE 3–6

EXHIBITION
TOP SECRET: FROM CIPHERS TO CYBER SECURITY
Explore over a century’s worth of communications intelligence through hand-written documents, declassified files and previously unseen artefacts from the Science Museum Group’s and GCHQ’s historic collections.
Trace the evolution of the gadgets and devices used to decode the secrets of others and challenge your friends and family to become code-breakers in our interactive puzzle zone.
CLOSES 23 FEBRUARY 2020
FREE ENTRY
TICKETED

BASEMENT CAFÉ
Stop here for light refreshments including coffee, teas, juices and ice cream. Perfect for a family snack.

PICNIC AREA
Enjoy your lunch in our designated picnic area next to the Basement Café.
FREE WIFI
Available throughout the museum

TICKETS
Exhibitions and attractions are ticketed wherever you see this symbol:

Book tickets at any of our ticket desks or online at sciencemuseum.org.uk

OPENING HOURS
Daily 10.00–18.00
Last admission 17.15
Galleries start to close from 17.30

SHOP
Whether you’re keen on chemistry, ecstatic about mathematics or just want a memento of your day, you’ll find something you love in one of our museum shops. We sell a wide range of gifts, toys, books and homeware alongside traditional museum favourites, at a price to suit every budget.
Visit us on level 0 or shop online at sciencemuseumshop.co.uk

DONATIONS
Help us to make the most of our unrivalled collections, acquire new objects, create innovative exhibitions, and to continue to deliver the UK’s most engaging museum learning programme by donating today.
Donate in the museum or online at sciencemuseum.org.uk
Every pound you give supports our work as a charity. With Gift Aid you can make your donation go further.

TREASURE HUNTERS
Accept challenges, battle against your friends and family and team up to win badges with our free app, available in multiple languages. Create a unique tour of the museum that changes every time you play.
Recommended for families with children aged 5+.
Download free on iOS and Android.

KEEP IN TOUCH
Sign up to our email newsletters at sciencemuseum.org.uk to be the first to hear about the museum’s upcoming events and activities.
We love seeing our visitors’ photos online. Share yours with @sciencemuseum for the chance to be featured on our channels.

We’re always looking to improve our service. If you have any comments or suggestions please email us at info@sciencemuseum.ac.uk
